

## A Special Message to Our Audience

---

The Class of 2023 asks of you a very special request: the loving gift of silence. As a final remembrance of these last few moments of friendship, unity, and school spirit, the graduating class of 2023 asks that the roll call of names be received with dignity and honor - each name standing alone, yet joined forever with all others in a bond of shared achievement.

The class of 2023 has worked long and hard to accomplish this shining milestone in their young lives. They ask only that you allow them to approach this threshold proudly, in quiet reflection. Please demonstrate your respect for them by granting this request.

## Sign Language Interpreters

---

The Division of Academic Affairs is pleased to provide sign language interpreters for those in attendance who may be hearing impaired.

The 2022-2023 Inspirational Educator Grant Award is made possible by the Educate Chatham Foundation, Inc., a non-profit organization dedicated to the support of Savannah-Chatham Public Schools.
