Cloud-Based Learning Management System Contract Approved

The Board approved the award of RFP 20-60 Cloud-Based Learning Management System to itsLearning, Inc. for a five (5) year contract pending final contract negotiations. The primary objective of the system is to expand beyond the classroom environment to remote and online teaching and learning. The Cloud-Based Learning Management System (LMS) will also meet District administration, documentation, course development, instructional planning, student personalized learning and assessment, and the delivery of staff professional development goals.
