Fiscal Year 2020 Budget Adopted!

In a unanimous vote, the Board approved the Superintendent's recommended budget. The FY 20 budget includes pay increases for employees to include a \$3,000 pay raise for teachers and a 2% raise for all classified staff, as well as a step increase for all eligible employees. This marks the second year in a row where the budget was balanced without the use of fund balance to improve the District's cash flow position and financial bond ratings.
