

Additional Choice Program Guidance:

Choice Program schools will provide various forms of guidance to students and parents in the weeks leading up to opening the Choice Program application window. Please note the Choice Coordinator at the schools below. Specific questions about schools and/or programs can be emailed to the school's Choice Coordinator.

Please visit the school's website for more information on the dates and times below. Please note that some presentations will be live sessions, while other presentations will be recorded for you to watch at your convenience.
