

Community Meeting Scheduled for Update on Islands Campus Site Work

NOTE TO REPORTERS, EDITORS AND PRODUCERS:

Please find with this message information from the Savannah-Chatham County Public School System.

SCCPSS ADVISORY:

Phase 3 construction of the Islands Campus Site Work associated with the school District's ESPLOST Construction Program is scheduled to begin in the Spring of 2019. Phase 3 will consist of the construction of an artificial turf multipurpose field and a rubberized synthetic track.

The stadium seating will be sized to accommodate home football and soccer games as well as local track meets and will be equipped with a press box. A field house and concession stand are also proposed which will include home and visitor team rooms as well as restrooms to serve the facility. Field lighting will be provided via LED lighting directed at the field and a large vegetative buffer will be maintained along the south property line.

A community meeting will be held on September 12, 2018 at 6:00PM in the Islands High School Auditorium to provide updates, discuss the plan, and answer questions. The meeting is open to the public and all interested citizens are encouraged to attend.
