Parent Access Availability

Parent Access will be available online after the tenth day of each school year and will close five days before the end of the school year. During that time, the login function will be disabled.

In addition, as the marking period changes from one quarter to another, expect to have access to student's grades for the new quarter five days after the start of the quarter.

PowerSchool Access: Creating success, communication, and collaboration.

PowerSchool has the ability to keep parents informed of their student's performance and engaged with anytime, anywhere access with a direct URL to PowerSchool:

https://sccpss.powerschool.com/public/home.html

Parents and students will benefit from the transparency of assignments, scores, and grades. The goal is for parents as well as students to be able to see strengths, weaknesses, and growth.

Research shows students whose parents are involved in their education tend to have better academic performance and fewer behavioral transgressions. PowerSchool makes it easy for parents to get and stay involved with convenient, time-saving solutions to track and monitor their child's progress.

Connecting PowerSchool Mobile App to PowerSchool

The PowerSchool Mobile app walks the user through an on-boarding process. Most users will enter a four-character district code that is used to locate the PowerSchool server. Features of the Mobile App include: access to assignments, real-time grades and attendance, teacher comments, fee transactions and balances, automatic email messaging, and the ability to see multiple children under one account.

If a user does not know their District Code, they can search for their district by district name or school name.

1. Open the PowerSchool Mobile app and on the Sign In screen tap Help or the question mark in the upper right corner.
2. On the District Code Help screen, tap Search for Your District.
3. Enter the full district name or school name in the fields provided, and then tap Search.
4. On the Search Results screen, tap the correct school name.
5. On the District Details screen, tap Connect to this PowerSchool.
6. On the Sign In screen, enter username and password, and then tap Sign In.
