Addendum No. 1 is being issued to respond to the following questions submitted.

Question:	Response:
1. The District is asking for Bid and Performance Bonds for over \$100,000. Since these bids are hardware/software products shipped to the District, without any services or other items, would bonds still be applicable?	Yes, bonds will be required.
2. We would like to submit a bid response with an equivalent solution for the District's evaluation. Do we need to provide a detailed list in our request for substitution prior to bid submission or can we simply request the substitution and provide the detailed information in our response?	See Section U. Page 11, (paragraph #9) below: All requests for interpretation, substitution, or changes to contract terms, must be submitted to the Purchasing Department <u>before 5:00:00 p.m. (ET) on January 9, 2024.</u> The District shall not be required to answer any questions about this ITB submitted after 4:59:59:99 p.m. (ET) on this date.
