

**Windsor Forest High School ADA Renovations Project
 Number: BID C17-18
 Addendum # 1**

The information contained in this document shall become an official part of the original document and shall be acknowledged as noted on the Certification Form (Form 1) of solicitation document and the Bid Form (Form 10) in the space provided. Failure to acknowledge receipt of an addendum may result in a status of non-responsive. Firms are encouraged to review the contents of this document and to respond accordingly.

Addendum No. 1 is being issued to provide a copy of the mandatory pre-bid conference sign in sheet; answers questions from the pre-bid meeting and questions and request for substitutions submitted by the stated deadline.

Question	Answer
1. What are the work hours for this project?	See specification section 01 10 00 Summary of Work; Part 1.3 Work Restrictions.
2. What is the budget for this project?	\$250,000
3. Is there any hazardous materials present in the work areas for this project?	Owner has provided limited test sampling results for lead in paint. Contractors are advised that trace amounts of lead have been identified in select limited test locations. The contractor shall be responsible for complying with US EPA (TCLP Lead testing of debris prior to disposal) and OSHA worker protection (for workers exposed to above the airborne lead action limit) requirements for lead in construction. OSHA air sampling by contractor may be required. Test report dated 4/7/17 is attached "Test Report 04072017". Contractor, for pricing purposes, shall assume all construction debris is non-hazardous, construction and demolition waste.
4. Will there be an area designated for laydown of materials and space for a dumpster?	Yes.
5. There is no door hardware schedule in specs or on drawings.	Door hardware schedule and Door hardware deadbolt section to locks and latches has been added. Please see attachment titled "Door Hardware Specification 08 71 00 Supplement"
6. Hand Dryer Request for substitution Product Manufacturer: Saniflow Corp. Model No.: Machflow M09ACS	Substitution approved.

*****ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED*****
