## REQUEST FOR PROPOSAL #10-56

The Board of Public Education for the City of Savannah and the County of Chatham (hereinafter referred to as "the Board") is soliciting sealed proposals for **Moving Services** as specified in this Request for Proposal (RFP). The successful bidder(s) (hereinafter referred to as "the offeror") shall meet the terms and conditions set forth in this document and all attachments.

### I. Standard Terms and Conditions of Proposal

#### A. Definition

Competitive sealed proposals are being solicited in response to this RFP. The competitive sealed proposal process differs from competitive sealed bidding in two important ways:

1. It permits discussions with competing offerors and changes in their proposal including price; and
2. It allows comparative judgmental evaluations to be made on various criteria ( in addition to cost) for award of the contract.

#### B. Pricing

No charge will be allowed for those federal, state or local sales and excise taxes where the Board is exempt by state and Federal law. A tax exemption certificate will be furnished by the Board to the successful offeror upon request.

The Board will factor any rebates offered for total dollar volume or quantities ordered over the performance period of this contract in the award of this proposal.

In the event the offeror wishes to provide additional services above and beyond the stated requirements of this proposal at "no cost" to the Board, these services should be identified and included in the proposal response.

#### C. Shipping, Delivery, Terms of Payment & Invoicing

All orders shall be shipped F.O.B. Destination to the designated site after receipt of the purchase order. Since the successful offeror(s) will be responsible for all freight expenses, the selection of carrier shall be determined by the offeror.

The successful offeror agrees to reference the following on all shipping documents and invoices:

- 1.) Purchase Order Number
- 2.) Serial Number (as applicable)
- 3.) Part Number/Description/Nomenclature
- 4.) Quantity Ordered
- 5.) Quantity Shipped
- 6.) Site Destination

Failure to ship order in its entirety will prevent payment of your invoices. **Per Board policy, backorders will not be accepted.** Accordingly, successful offeror(s) should not invoice until one shipment has been made for all items on order.

Offerors shall guarantee delivery of supplies and services in accordance with such delivery schedule as may be provided in the specifications.

The Board's Purchasing Director reserves the right to charge the vendor for each day the supplies or services are not delivered in accordance with the delivery schedule. The per diem charge may be invoked at the discretion of the Board's Purchasing Director and said sum to be taken as liquidated damages and deducted from the final payment, or charged back to the vendor.

All invoices should be mailed to:

Savannah-Chatham Co. Board of Public Education  
Attn.: ACCOUNTS PAYABLE  
208 Bull Street, Room 119  
Savannah, GA 31401

Terms of payment will be 2% 10th Net 40 Days.

#### ***D. General Specifications/Scope of Work***

**Specifications/Scope of Work** for **items/services** to be purchased are detailed in the attached Specifications Sheet "Attachment A" following Section III.

When reference is made in the specifications to manufacturer or brand name, such references are made solely to designate minimum acceptable levels of quality and do not indicate a preference.

In the event an offeror is proposing another manufacturer and/or model number other than stated in the specification, the offeror must provide complete technical information, specifications, manufacturer's name, model number and a complete list of deviations from stated specifications. The burden of proof for documenting equality rests with the offeror. All determinations of the acceptability of an equal or alternate material or equipment shall rest with the Board staff and their decision shall be final.

Proposals on equipment must be on standard, new equipment of the latest model and in current production, unless otherwise specified. Used, reconditioned or refurbished equipment is not acceptable unless otherwise specified.

All regularly manufactured stock electrical items must bear the label of the Underwriters Laboratories, Inc.

Any obvious error or omission in specifications shall not inure to the benefit of the offeror but shall put the offeror on notice to inquire of or identify the same from the Board.

#### ***E. Discontinuation of Equipment***

In the event items requested are discontinued by the manufacturer, offeror shall substitute an equivalent replacement item from the same manufacturer at equal or lower pricing. Offeror shall advise of any anticipated discontinuations. Proposed replacement equipment must be submitted for review and approval prior to completion of any substitution.

#### ***F Submittal of Objections***

Objections from offerors to this Request for Proposal and/or these specifications should be brought to the attention of the Board, Director of Purchasing. The offeror should submit any objections in writing not less than (5) days prior to the opening of the proposal. The objections contemplated may pertain to form and/or substance of the RFP documents and specifications. Failure to object in accordance with this

procedure will constitute a waiver on the part of the offeror to protest this Request for Proposal.

#### ***G. RFP Interpretations/Addenda***

If any questions should arise pertaining to the RFP documents, the offeror may mail or fax a written request for interpretation to:

Savannah-Chatham Board of Public Education  
**Attn.: Joan Carter**  
**Buyer**  
208 Bull Street, Room 213  
Savannah, GA 31401

All requests for interpretation must be submitted on or before the close of business, **05:00:00 PM on November 16, 2009**. The Board shall not be responsible for any other explanation of questions submitted after this date. The Board shall mail, fax, or contact offeror for pickup of any addenda prior to the **close of business on November 18, 2009**.

Any addenda issued during the time of the RFP shall be covered in submitted proposals, and in closing the contract shall become a part thereof.

#### ***H. Failure to Respond***

If a proposal is not to be submitted but the offeror wishes to remain on the Board's list of offerors, the offeror should complete and return the Certification LMWBE Information document found in this packet marked "No Response".

#### ***I. Receipt & Registration of Proposals***

Proposals and modifications shall be time-stamped upon receipt. Proposals shall not be opened publicly but shall be opened in the presence of two or more Purchasing officials. #### ***J. Errors in Proposals***

Offerors or their authorized representatives are expected to fully inform themselves as to conditions, requirements, and specifications before submitting proposals. Failure to do so will be at the offeror's own risk. The offeror may withdraw a proposal prior to the proposal opening date and time by requesting to do so in writing.

#### ***K. Standards of Acceptance of Proposal for Contract Award***

The Board reserves the right to reject any and all proposals and to waive any irregularities or technicalities in proposals received whenever such rejection or waiver is in the best interest of the Board. The Board has the right to disqualify a proposal of any offeror as being unresponsive when such offeror cannot document its ability to deliver requested services or when investigation shows it is not in a position to perform the contract.

#### ***L. Compliance With Laws***

The offeror shall obtain and maintain all licenses, permits, liability insurance, workman's compensation insurance and comply with any and all other standards or regulations required by Federal, State, or County statutes, ordinances and rules during the performance of any contract between the Board and the offeror. Any such requirement specifically set forth in any contract document between the offeror and the Board shall be supplementary to this section and not in substitution thereof.

#### ***M. Indemnity Provisions***

Where offeror is required to enter or go onto property to provide services or gather information, the offeror shall be liable for any injury (including death), damage or loss occasioned by negligence of the offeror, his agent, or any person the offeror has designated to visit Board property and shall indemnify and hold harmless the Board, its officers, employees, agents and volunteers from any liability arising therefrom. Offerors should not include an indemnity or hold harmless agreement from the Board in any proposal. The Board will not be bound by any such agreement. Board Policy DJE provides in part: No contract, provision, agreement or term of any procurement, contract or agreement with the Board shall obligate the Board or System to indemnify, save or hold harmless any vendor for any future claim, loss, expense or liability.

The Board also reserves the right to procure the articles or services from other sources and hold the defaulting vendor responsible for any excess cost incurred.

#### ***O. Certification of Independent Price Determination***

## **EVALUATION CRITERIA**

### **Organization and Completeness of Proposal**

Proposal must provide straightforward, concise proof of offeror's capabilities to satisfy RFP requirements. For ease of review, responses must be organized in the exact same order as the RFP or as stipulated in the RFP. Each section should be labeled and any additional documents provided by the vendor must reference the appropriate section of the RFP. All requested information must be included and all forms completed in entirety. (All spaces must be completed on all requested documentation). Any proposals that do not include all required information may be considered non-responsive and disqualified.

### **Evaluation Procedures**

A committee comprised of representatives from Facilities Construction and Maintenance/Warehouse with the Purchasing Department overseeing the evaluation process. The proposals will be evaluated on the basis of qualifications, relevant experience, responsiveness of proposers, as well as the estimated cost of the engagement. Cost will not be the sole determining factor in the award.

Each proposal will be reviewed for completeness to ensure that all mandatory requirements are addressed satisfactorily. The committee will determine any areas requiring additional clarification/information and request this information from the responding vendor.

The committee will evaluate the quality and completeness of each response as it addresses each requirement of the RFP. All non-cost related areas of the response are evaluated during this phase. A list of areas being reviewed for this specific RFP, along with the associated point values is included in the Evaluation Criteria below. The committee may in its sole discretion and in the course of the evaluation request presentation(s)/demonstration(s) with one or more selected offerors. Responses must satisfactorily meet other requirements before cost is evaluated.

### **Evaluation Criteria**

The selection of a vendor to move furniture, supplies and equipment will be based on the review of several key elements in the proposals submitted. They include the following:

Non Cost: Possible Point  
Vendor Questionnaire 28  
Vendor References 12

Cost 60

Cost Evaluation Formula:  $(\text{Lowest Price}/R - \text{where "R" represents the cost of the})$

proposal currently being ranked) x Points = Score

The non-cost portion of proposals can receive a maximum of 40 points out of 100 points possible. Only non-cost proposals which receive 28 points (70% of the total non-cost score) or more will have the accompanying cost evaluated.

### **PROPOSAL ACCEPTANCE PERIOD**

A ninety-day (90) period from proposal closing date is generally allowed to review and evaluate responses. There is an expectation that all processes will be completed during this time. If we envision the process will not be completed by the end of the ninety-day period, the district will request a time extension. In the event no extension is requested, the solicitation shall be deemed canceled.

### **TRANSITION PERIOD**

If the Board decides to issue another RFP for these goods and services, the Proposer is notified that due to the nature of our purchasing process, off times a transaction period is required during the evaluation period, final contract negotiations or contract award and execution. The successful proposer agrees to maintain the same terms and conditions as the original contract/agreement for a period not to exceed ninety (90) days, if necessary, as a transition period.

In addition, if the current provider is not the successful Offeror, he or she shall agree to provide the same level of services for a period not to exceed ninety (90) days, allowing for an orderly transition.

### **AMBIGUITY, CONFLICT, OR OTHER ERRORS IN BID**

If an offeror discovers any ambiguity, conflict, discrepancy, omission or other error in the RFP, it shall immediately notify the Purchasing Director of such error in writing and request modification or clarification of the document. Modifications shall be made by issuing an amendment and shall be given by written notice to all parties who have received this RFP from the Savannah Chatham Public School System's Purchasing Department.

### **TERMINATION OF CONTRACT**

The district may terminate the contract, if the successful offeror(s) fails to perform at the level specified in the contract document. The successful offeror(s) may terminate the contract if the school district fails to meet the specified payment terms. Each party shall follow the procedure outlined below if a contract is to be terminated:

In the event such appropriations are determined by the Chief Financial Officer/Comptroller of SCCPSS to no longer exist or to be insufficient with respect to the charges payable hereunder, this agreement shall terminate without further obligation of SCCPSS at the end of any fiscal period (hereinafter referred to as "Event").
