A. Pricing

No charge will be allowed for those federal, state or local sales and excise taxes where the Board is exempt by state and Federal law. A tax exemption certificate will be furnished by the Board to the successful bidder upon request.

The Board will factor any rebates offered for total dollar volume or quantities ordered over the performance period of this contract in the award of this bid.

NOTE: Although pricing will weigh heavily in the award of this contract, bidders will have to meet lead time, service and quality criteria to be considered a "responsible" bidder who is eligible for award. In the event the bidder wishes to provide items specified(s) above and beyond the stated requirements of this bid at "no cost" to the Board, these services should be identified and included in the bid response.

B. Shipping, Delivery, Terms of Payment & Invoicing

Bidders shall guarantee delivery of supplies in accordance with such delivery schedule as may be provided in the specifications.

The Board's Purchasing Director reserves the right to charge the vendor for each day the supplies or services are not delivered in accordance with the delivery schedule. The per diem charge may be invoked at the discretion of the Board's Purchasing Director and said sum to be taken as liquidated damages and deducted from the final payment, or charged back to the vendor.

Title and risk of loss to the items shall remain with the bidder until the items in a completed state have been delivered to and accepted by the Board.

2. Bid Number 18-43
3. Serial Number (as applicable)
4. Part Number/Description/Nomenclature
5. Quantity Ordered
6. Quantity Shipped

All invoices should be mailed to:

Savannah-Chatham Co. Board of Public Education
ATTN: ACCOUNTS PAYABLE

C. General Specifications/Scope of Work

Specifications/Scope of Work for items/services to be purchased are detailed in the attached Specifications Sheet/Scope of Work "Attachment A" following Section III.

When reference is made in the bid specifications to manufacturer or brand name, such references are made solely to designate minimum acceptable levels of quality and do not indicate a preference.

In the event a bidder is offering another manufacturer and/or model number other than stated in the specification, the bidder must provide complete technical information, specifications, manufacturer's name, model number and a complete list of deviations from stated specifications. The burden of proof for documenting equality rests with the bidder. All determinations of the acceptability of an equal or alternate material or equipment shall rest with the Board staff and their decision shall be final.

Bids on equipment must be on standard, new equipment of the latest model and in current production, unless otherwise specified. Used, reconditioned or refurbished equipment is not acceptable unless otherwise specified.

All regularly manufactured stock electrical items must bear the label of the Underwriters Laboratories, Inc.

Any obvious error or omission in specifications shall not inure to the benefit of the bidder but shall put the bidder on notice to inquire of or identify the same from the Board.

D. Discontinuation of Equipment

In the event items requested are discontinued by the manufacturer, bidder shall substitute an equivalent replacement item from the same manufacturer at equal or lower pricing. Bidder shall advise of any anticipated discontinuations. Proposed replacement equipment must be submitted for review and approval prior to completion of any substitution.

E. Submittal of Objections

Objections from bidders to this Invitation to Bid and/or these specifications should be brought to the attention of the Board, Director of Purchasing. The bidder shall submit any objections in writing not less than (5) days prior to the opening of the bid. The objections contemplated may pertain to form and/or substance of the ITB documents and specifications. Failure to object in accordance with this procedure will constitute a waiver on the part of the bidder to protest this Invitation to Bid.

F. ITB Interpretations/Addenda

If any questions should arise pertaining to the ITB documents, the bidder may mail or fax a written request for interpretation to:

Savannah-Chatham Board of Public Education
ATTN: Sabrina L. Scales, Purchasing Director
208 Bull Street, Room 213
Savannah, GA 31401

Bidders or their authorized representatives are expected to fully inform themselves as to conditions, requirements, and specifications before submitting bids. Failure to do so will be at the bidder's own risk. The bidder may withdraw a bid prior to the bid opening date and time by requesting to do so in writing.

I. Standards of Acceptance of Bid for Contract Award

The Board reserves the right to reject any and all bids and to waive any irregularities or technicalities in bids received whenever such rejection or waiver is in the best interest of the Board. The Board has the right to disqualify a bid of any bidder as being unresponsive when such bidder cannot document its ability to deliver requested services or when investigation show it is not in a position to perform the contract.

J. Compliance With Laws

The bidder shall obtain and maintain all licenses, permits, liability insurance, workman's compensation insurance and comply with any and all other standards or regulations required by Federal, State, or County statutes, ordinances and rules during the performance of any contract between the Board and the bidder. Any such requirement specifically set forth in any contract document between the bidder and the Board shall be supplementary to this section and not in substitution thereof.

K. Indemnity Provisions

Where bidder is required to enter or go onto property to provide services or gather information, the bidder shall be liable for any injury (including death), damage or loss occasioned by negligence of the bidder, his agent, or any person the bidder has designated to visit Board property and shall indemnify and hold harmless the Board, its officers, employees, agents and volunteers from any liability arising therefrom. Bidders should not include an indemnity or hold harmless agreement from the Board in any proposal. The Board will not be bound by any such agreement. Board Policy DJE provides in part: No contract, provision, agreement or term of any procurement, contract or agreement with the Board shall obligate the Board or System to indemnify, save or hold harmless any vendor for any future claim, loss, expense or liability.

L. Cancellation/Default of Contract

In the event the successful bidder, through any cause, should fail to fulfill the agreed upon obligations in an effective and timely manner, the Board shall have the right to terminate its contract by specifying the date of termination in a written notice to the selected vendor at least thirty (30) days before that termination date. The Board also reserves the right to procure the articles or services from other sources and hold the defaulting vendor responsible for any excess cost incurred.

M. Certification of Independent Price Determination

By submission of this bid, the bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, that in connection with this Invitation to Bid:

1. The pricing structure in this bid has been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor;
2. The pricing structure which has been quoted in this bid has not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to opening, directly or indirectly to any other bidder or to any competitor; and
3. No attempt has been made or will be made by the bidder to induce any other person or firm to submit or not to submit a bid for the purpose of restricting competition.

N. Local and/or Minority/Women Business Enterprise (LMWBE)

It is the policy of the Board of Education to maximize the utilization of qualified local, minority, and women owned business enterprises ("LMWBEs") who provide professional services or who serve as prime contractors, subcontractors or suppliers as a part of the District's facilities construction, maintenance and repair programs. Prime contractors on district construction projects shall make and document good faith efforts to maximize the utilization of qualified LMWBEs as subcontractors and suppliers and provide proof of such efforts and contracts with and payments made to LMWBEs upon request. The Board also promotes capacity building within the local construction community and encourages the use of partnerships, teaming and mentorships to provide LMWBEs with relevant and necessary experiences to grow their business.

For the purposes of this policy, good faith efforts may include, but not be limited to, the following:

- Attend pre-solicitation meetings to inform LMWBEs of subcontracting opportunities.
- Advertise in general circulation media, trade association publications, and minority and women business enterprise media to provide notice of subcontracting opportunities.
- Communicate with the City of Savannah's Office of Economic Development to identify available and qualified LMWBE firms.
- Review the District's list of vendors indicating an interest in providing services to the District.
- Select portions of work for subcontracting in areas with established availability of LMWBE subcontractors.
- Solicit and negotiate with available and qualified LMWBEs for specific subcontracting opportunities.
- Assign substantive work to LMWBEs or LMWBE teaming partners.

For the purposes of this policy, a Local Business Enterprise is defined as (1) having established a regular, physical place of business other than a job site office with at least one employee within the geographical boundaries of the Savannah, Georgia Metropolitan Statistical Area (MSA) prior to the closing date on the solicitation (a post office box address will not satisfy this requirement); (2) having a current Business Tax Certificate and other licenses, certificates, or permits required by law to operate a business in that location; and (3) performing a commercially useful function within the local office.

For the purposes of this policy, a Minority Business Enterprise is an independent, continuing venture that is at least 51% owned by a minority person or persons that meets the criteria for a Disadvantaged Business. A Disadvantaged Business is a small business which is owned, controlled and managed on a daily basis by a majority or persons, not limited to members of minority groups, who have been deprived of the opportunity to develop and maintain a competitive position in the economy because of social disadvantage. This includes:

1. African American: A person with origins in any of the Black racial groups of Africa;
2. Hispanic American: A person with origins from Mexico, South America, Central America or the Caribbean Basin, regardless of race; and
3. Asian American: A person with origins from the Indian subcontinent, countries of the Asian Pacific region, and surrounding countries; and
4. American Indian: A person with origins from the indigenous people of North America.

For the purposes of this policy, a Women Business Enterprise is an independent, continuing venture that is at least 51% owned by one or more women. To qualify as an LMWBE, the owner must be a citizen or lawful permanent resident of the United States, be involved in daily business operations, and provide a commercially useful function. The ownership interest must be real and continuous and not created solely to meet the local/minority/women business or local/minority/women contractor good faith efforts.

SCCPSS shall, through their program management and construction management providers, engage in efforts to communicate opportunities afforded by the District's facilities construction, maintenance and repair programs to LMWBEs, including but not limited to:

- Communicate opportunities associated with SCCPSS facilities construction, maintenance and repair programs to the citizens of Chatham County.
- Work with other local governments and relevant community organizations to provide technical assistance and guidance to LMWBEs;
- Develop strategies to assist prime contractors in maximizing their utilization of LMWBEs;
- Develop and provide informational sessions to educate LMWBEs in the requirements of the District's procurement process;
- Provide notices as outlined above and maintain a list of vendors who have provided or are interested in providing services to the SCCPSS, as outlined above.

SCCPSS may, from time to time, audit vendor contracts with and payments to LMWBE contractors and subcontractors and may require that proof of such contracts and payments be provided to the SCCPSS.

All bidders must read and complete all documents included in Attachment "C" with all pertinent Exhibits.

If the successful bidder ships material or provides any services prior to receiving official notification, he does so at his own risk and the District shall not be held liable.

The successful bidder(s) will be evaluated by the Board over the duration of the contract period. Performance will be documented. Poor performance may result in the vendor being disqualified on future bids.

U. Signed Bid Considered Offer

The signed bid shall be considered an offer on the part of the bidder, and shall be deemed accepted upon approval by the Board. In case of a default on the part of the bidder after such acceptance, the Board may take such action as it deems appropriate, including legal action for damages or lack of required performance.

V. Public Information

It is the policy of the Board that at the conclusion of the selection process, the contents of all bids will be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information
