

SCCPSS, The Links, Incorporated and Curtis V. Cooper Primary Health Care are proud to announce the

# Bright Smiles, Bright Futures Dental Awareness Initiative

We will launch the Dental Awareness Virtual Project on January 19, 2021. Students will engage in interactive virtual presentations, video series and fun activities while learning the importance of good oral hygiene. Each student will have the opportunity to receive an Oral Dental Awareness Kit with toothpaste, toothbrush, stickers, apples and dental floss!
