

Our Goals for Student Achievement

SCCPSS District Goal:
To Ensure All Students are College and Career Ready

Objective A: To increase the percentage of students who have mastered the skill sets (whole child development) necessary to be successful upon entering kindergarten through 2nd grade.

Objective B: To increase the number of students who are powerfully literate, mathematically fluent, and effective problem solvers in grades 2 through 8.

JHC Butler Elementary Goals:

JHC Butler administrators and teachers have studied our student performance data to decide on the most important areas of improvement for our school.

All students in grades K-5 will show a 10% increase in all content areas to include, Reading, English Language Arts, Math, as measured by the iReady Assessment and Common Formative Assessments by May 2024.

Teachers, Families, and Students – Together for Success

First Grade Teachers will:

Send home a new sight word lists every marking period.

Provide an opportunity for students to check out books on their reading level and send home additional reading resources.

Send home basic math addition and subtraction facts resources.

Families will:

Practice sight words with my child.

Read aloud to my child and listen to my child read daily.

Practice addition and subtraction math facts with my child.

What is a School-Family/Parent Compact?

This is an agreement between families, students and teachers that explains how families and teachers will work together to make sure all our students reach grade-level standards.

Jointly Developed

This compact was the joint effort of parents, students, teachers, and administration. Each member of the development team offered their input into how we can help students achieve success. Input was also given during the Parent Forum, via surveys, feedback at meetings, Annual Evaluation survey, or by responding to reflection forms.

Do you have questions about your child's progress? Contact your child's teacher by phone (912) 395-2525 or email.

Communication about Student Learning

JHC Butler Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- *Daily Communication Logs*
 - *Weekly folders*
 - *Monthly check in notes and phone calls*
 - *Updates on school website and current grades in PowerSchool*
 - *Parent/Teacher Conference to discuss grades & compacts*
 - *School and grade level meetings*
 - *Information sessions*
-

Building Partnerships

Here are some ways families can partner with the school:

- *Sign up to be a school volunteer.*
- *Attend workshops.*
- *Check PowerSchool for student progress.*
- *Check out supplies from the Family Resource Center during arrival, dismissal, and special events.*
- *Contact your child's teacher with questions or concerns about the student's education or to observe a class and participate in school activities.*
