

Our Goals for Student Achievement

SCCPSS District Goal:
To Ensure All Students are College and Career Ready

Objective A: To prepare our students to discover and explore their interests and to equip them with the knowledge, skills, dispositions, and confidence necessary to successfully complete post-secondary training, and/or enter a career path of their choice.

Objective B: To increase the number of students who are powerfully literate, mathematically fluent, and effective problem solvers in grades 2 through 8.

JHC Butler Elementary Goals:

JHC Butler administrators and teachers have studied our student performance data to decide on the most important areas of improvement for our school.

All students in grades K-5 will show a 10% increase in all content areas to include, Reading, English Language Arts, Math, as measured by the iReady Assessment and Common Formative Assessments by May 2024.

Teachers, Families, and Students – Together for Success

Fifth Grade Teachers will:

Provide vocabulary words from all subjects with resources and activities for students to practice weekly.

Provide online resources for students to read independently daily. (GetEpic & Storia)

Provide opportunities to practice math fluency daily.

Families will:

Support my child with learning their vocabulary words.

Make sure my child reads 20 minutes.

Practice basic math facts using math fact sheets and flash cards with my child.

Parent Signature _____

Date _____

Student Signature _____

Date _____

Teacher Signature _____

Date _____

Students will:

- Learn the meaning of weekly vocabulary words.
- Read for at least 20 minutes daily to master 1-million-word count.
- Review math facts by using math fact sheets, flash cards or Khan Academy.

5th Grade

What is a School-Family/Parent Compact?

This is an agreement between families, students and teachers that explains how families and teachers will work together to make sure all our students reach grade-level standards.

Jointly Developed

This compact was the joint effort of parents, students, teachers and administration. Each member of the development team offered their input into how we can help students achieve success. Input was also given during the Parent Forum, via surveys, feedback at meetings, Annual Evaluation survey or by responding to reflection forms.

Do you have questions about your child's progress? Contact your child's teacher by phone (912) 395-2525 or email. Visit the School webpage at: butler.sccps.com.

Communication about Student Learning

Butler Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- *Weekly folders*
- *Monthly check in notes and phone calls*
- *Updates on school website and current grades in PowerSchool*
- *Parent/Teacher Conferences to discuss grades & compacts*
- *School and grade level meetings*
- *Information Sessions*

Building Partnerships

Here are some ways families can partner with the school:

- *Sign up to be a school volunteer.*
- *Attend workshops.*
- *Check PowerSchool for student progress.*
- *Check out supplies from the Family Resource Center during arrival, dismissal, and special events.*
- *Contact your child's teacher with questions or concerns about the student's education or to observe a class and participate in school activities.*
