

**It's almost time!**  
***12th Annual Redesigned Student Success Expo***

This year for the Student Success Expo competition each SCCPSS school submitted a Digital Marketing video. The video virtually showcases schools in lieu of the school booth competition held in previous years.

The Expo will also include a Viewing Extravaganza and Virtual Passport/Scavenger Hunt activity for students!

For the Viewing Extravaganza, schools are encouraged to invite others to view their school's marketing videos.

*The top three schools with the most views will receive prizes:*  
*1st Place: 10 iPads      2nd Place: 55 Inch TV      3rd Place: 10 Webcams*

**Between February 1<sup>st</sup> - February 7<sup>th</sup>, you can help us by viewing our video, and sharing it with friends and family!**

Be sure to check out our website, Facebook, and Twitter for the latest updates, including the link to the video!
