Latasha Quarterman, Ed.S., Principal

Monica Simmons, Ed.D., Assistant Principal

Dear Parents and Guardians:

It is with great joy that I introduce myself to you as the new Principal of Robert W. Gadsden Elementary School. I am honored to have the opportunity to lead a school with a rich tradition and a deeply rooted sense of community.

I have served in the field of education for 16 years. Since graduating from Armstrong Atlantic State University and Georgia Southern University, I have worked as an elementary teacher, district math coach, an academic coach and as an assistant principal. My experience over the years have yielded a positive impact on student achievement and I am excited to work with you as a partner to ensure your child's success.

As your Principal, I firmly believe that every child can excel as teaching students is my passion. I along with the teachers and staff, will continue to build strong relationships with students, parents, and community partners. We will focus on STEAM and Project Based Learning initiatives, the use of data driven instruction and to provide an educational experience for our students to continue to increase their academic achievement.

It is important to me that every child, parent and/or community partner that walks through our door is excited to be here!! I welcome your conversation and positive input throughout the school year. I am committed to meeting the challenges that we are currently experiencing during this pandemic as we ensure our students strive for academic excellence. I look forward to helping each student at Gadsden Elementary School meet their goals and to have a successful school year

Together with your help, we will continue to provide a positive learning environment for our staff and students.

Sincerely

Mrs. Latasha Quarterman

Principal, Gadsden Elementary School

*Mission - To ignite a passion for learning and teaching at high levels.
Vision - From school to the world: All students prepared for productive futures*
