

SCCPSS District Goals

The Savannah-Chatham County Board of Education is committed to establishing strategic goals which support the Board's Vision and Mission Statement. These goals will be periodically reviewed and updated. The current strategic goals are as follows:

GOAL 1: To Ensure all Students are College and Career Ready.

GOAL 2: To Provide a Supportive Learning Environment that is Conducive to Teaching and Learning.

GOAL 3: To Maximize Family and Community Engagement that Contributes to the Advancement of Student Success.

GOAL 4: To Build Professional Capacity in Order to Achieve a Premier Student-Focused Workforce.

Haven's Essential Goals

Haven's Goals were developed using data from assessment sources. The school's leadership and data team analyzed data to develop the goals.

Goal: To increase our 2020-2021 Math CCRPI score by 5% or more by the end of the 2022-2023 school year.

Goal: To increase our 2020-2021 Reading CCRPI score by 5% or more by the end of the 2020-2023 school year.

Goal: To have 35% or more of our parents participating in school related activities and/or parent meetings and workshops.

Involvement Is Key!

This compact was the joint effort of parents, students, teachers and administration. Each member of the development team offered their input into how we can help students achieve success.

We welcome parents to join us, contribute to the School-wide plans and share comments/suggestions! If you would like to volunteer, participate or observe in the classroom, please contact Kavonna Bostick, Assistant Principal or Alexis Williams, Parent Facilitator at 912-395-6501.

Remember to visit us on the web at www.sccpss.com

Click on Schools, then click on Haven.

Get involved.

2022-2023

What Is a School Compact?

A school compact is a written agreement between a school, its parents and students. The compact gives strategies to help support students' success in school.

The compact explains what families and schools can do to make a connection for the student between the two "worlds" they live in, home and school.

Families were involved in the development of the compact through the Family Forum, surveys and feedback from meetings. This becomes the compact that is signed as an agreement by all those involved in the child's education.

How Will We Communicate?

It is very important for the school and parents to communicate on a regular basis in order to build the bridge between school and home. At Haven we will communicate by:

- ◆ Sending home communication folders.
- ◆ Utilizing the school's "call-out" system to deliver messages.
- ◆ Planning parent/teacher conferences to update parents on student successes and areas of need and to discuss the school compact.
- ◆ Keeping the school website up to date.
- ◆ Informing parents about the ability to check on their child's grades through Power School.
- ◆ Using communication apps: Remind and Class Dojo
- ◆ Teachers will make weekly phone calls, send text messages and emails to parents when necessary.

Teaming Up for Success: School, Parents, Students

School input in student success is the third leg of the success triangle. The school team and parents decided the following were needed from the school to help insure success:

- ◆ Provide materials for students to take home to read on their reading level. Work with students on reading skills in a small group and individual setting.
- ◆ The teacher will provide the students with notes and examples for their notebooks which can be used for assistance at home with parental support with addition, subtraction, multiplication, division, decimals & fractions.
- ◆ Provide study guides to use at home to prepare for assessments.

Parents joined Haven staff to develop a list of actions to support student success.

- ◆ Read aloud with my child for at least 30 minutes daily.
- ◆ Parents will assist student with studying new and previously taught concepts, (addition, subtraction, multiplication, division, decimals & fractions), by using notes and examples from notebooks provided by the teacher.
- ◆ Review reading study guides and help my child prepare for assessments.

Students play the biggest role in their own success. 5th graders gave ideas and feedback about what was important to them to be successful in school. Students gave the following ideas:

- ◆ I will read every night for 30 minutes.
- ◆ I will learn and study every day, at school and home new and previously taught concepts in math using notes and examples from the notebook provided by the teacher.
- ◆ I will complete and review my study guides at home with an adult.
