

## SCCPSS District Goals

The Savannah-Chatham County Board of Education is committed to establishing strategic goals which support the Board's Vision and Mission Statement. These goals will be periodically reviewed and updated. The current strategic goals are as follows:

**GOAL 1:** To Ensure all Students are College and Career Ready.

**GOAL 2:** To Provide a Supportive Learning Environment that is Conducive to Teaching and Learning.

**GOAL 3:** To Maximize Family and Community Engagement that Contributes to the Advancement of Student Success.

**GOAL 4:** To Build Professional Capacity in Order to Achieve a Premier Student-Focused Workforce.

## Haven's School Improvement Goals

Haven's Goals were developed using data from assessment sources. The school's leadership and data team analyzed data to develop the goals.

**Goal:** To increase our 2020-2021 Math CCRPI score by 5% or more by the end of the 2022-2023 school year.

**Goal:** To increase our 2020-2021 Reading CCRPI score by 5% or more by the end of the 2022-2023 school year.

**Goal:** To have 35% or more of our parents participating in school related activities and/or parent meetings and workshops.

## Involvement Is Key

This compact was the joint effort of parents, students, teachers and administration. Each member of the "development" team offered their input into how we can help students achieve success.

We welcome parents to join us, contribute to the School-wide plans and share comments/suggestions! If you would like to volunteer, participate or observe in the classroom, please contact Kavonna Bostick, Assistant Principal or Alexis Williams, Parent Facilitator at 912-395-6501.

## What Is a School Compact?

A school compact is a written agreement between a school, its parents and students. The compact gives strategies to help support students' success in school.

The compact explains what families and schools can do to make a connection for the student between the two "worlds" they live in, home and school.

Families were involved in the development of the compact through the Family Forum, surveys and feedback from meetings. This becomes the compact that is signed as an agreement by all those involved in the child's education.

## How Will We Communicate?

It is very important for the school and parents to communicate on a regular basis in order to build the bridge between school and home. At Haven we will communicate by:

- ◆ Sending home communication folders.
- ◆ Utilizing the school's "call-out" system to deliver messages via phone as well as email.
- ◆ Planning parent/teacher conferences to update parents on student successes and areas of need and the discussion of school compacts.
- ◆ Informing parents about the ability to check on their child's grades through Parent Portal and Power School
- ◆ By keeping the school website up to date.
- ◆ Using communication apps: Remind and Class Dojo
- ◆ Teachers will make weekly phone calls, send text messages and emails to parents where necessary.

## Teaming Up for Success: Schools, Parents, Students

**S**chool input in student success is the third leg of the success triangle. The school team and parents decided the following were needed from the school to help promote success:

- ◆ We will provide practice sheets to reinforce math skills and concepts.
- ◆ Send home a list of sight words for parents to practice with students at home.
- ◆ Provide number chart for students to learn numbers from 0-20 and count to 100 .

**S**tudents play the biggest role in their own success. Haven Hornets gave ideas and feedback about what was important to them to be successful in school. Students gave the following ideas:

- ◆ Students will complete math practice sheets with adults at home.
- ◆ Practice sight words daily.
- ◆ Work with numbers 1-20 and counting to 100 using number charts.

**P**arents joined Haven staff to develop a list of actions to support student success.

- ◆ Parents will assist and review math practice sheets with students at home.
- ◆ Parent will practice sight words nightly.
- ◆ Parent will work with numbers 1-20 and count to 100 using math number charts.
