

# Virtual Learning Expectations

## **STUDENTS ARE TO MAINTAIN REGULAR ATTENDANCE**

**Attendance is determined by participation in the student's set schedule participation is defined using the following criteria:**

- Attendance during live virtual instruction based on the virtual schedule
- Submission of assignments or tasks
- Engagement in group activities
- Direct daily interaction with a certified instructional staff member (online, email, or phone)
- LMS student logins and activity

## **STUDENTS ARE TO MAINTAIN REGULAR COMMUNICATION WITH THEIR TEACHERS**

**Learning in a virtual setting requires a great deal of communication on the part of the students and the teacher. Unlike in the classroom where a teacher can see your puzzled expression and know that you didn't understand, in the virtual classroom you will need to communicate verbally. Establish a reliable and effective way to talk to your teachers and get the support you need to be successful.**

## **STUDENTS NEED TO TURN WORK / ASSIGNMENTS IN WHEN THEY ARE DUE**

**Teachers will establish deadlines and due dates. Students will need to submit work when it is due.**

- Establish a method for keeping track of your assignments and due dates.
- Communicate with your teachers if there are circumstances beyond your control that will result in late or incomplete assignments.
