Spring has SPRUNG!

Happy Spring EAGLE NATION!

With spring, comes many events and “wrap-ups” for the school year. It is a time when we want to provide memorable moments, fun, and enjoyment for our students while also making sure that they have met academic requirements necessary to advance to the next grade level. For some of our students, that will consist of moving on to a bigger school with BIGGER requirements and expectations. As we get closer to the end of this final quarter, we are making sure that our students are prepared for moving on to high school as well as making sure those who will advance in middle school are also prepared. It is very important that parents actively monitor their student’s progress in the PowerSchool parent portal. If you do not have access, please contact our school so that we can assist you with getting set up.

Tips for Parents:

- Listen to your student and be supportive
- Be honest and accurate
- Emphasize safety
- Contact the school with questions about student progress
- Limit social media
- Enjoy quality time together

Word/Character trait of the month:

Courage: Being hopeful in thoughts and actions; Believing in yourself; always trying your hardest; People who have a strong determination to accomplish challenging goals.

❖ *Children learn best when they feel good about themselves and their relationships with others.*

"Your aptitude is very important but even more important, for success, is your attitude."
