

Happy Women's History Month Eagle Nation!

We are in the last nine weeks of the school year. This means that we have less than 45 days until summer vacation.

Please continue to monitor your student's academic progress and stay in communication with school staff for any concerns that you may have.

During the entire month of March, as we recognize Women's History Month, we will be highlighting iconic women who have made positive impacts on our nation and the world. Selected students will join our Principal during morning announcements and read about the movements of these amazing women.

Please remember that report cards will be available electronically. If you need assistance with accessing your parent PowerSchool account please contact the school.

**Word/Character trait of the month:**

**Selflessness-** Being concerned more with the needs and wishes of others than with one's own. Being selfless also means to not be selfish and can help us to identify and connect with others. It helps squash our egos because we are not acting out of pride or for a desire to be noticed.
