

# COUNSELOR'S CORNER

## Peek Of The Week

### Let the countdown begin...

Greetings SWMS family! We have made it to the final and possibly the busiest month of the school year. We have a lot of things to celebrate, a lot of activities planned, and a lot of expectations for our students to meet. We would like to continue to encourage students to work diligently to complete all current and missing assignments. It is the expectation that students **MUST** be passing all classes in order to participate in the end of year activities that we have planned.

Please help us celebrate the **#1** principal in the country in honor of Principal Appreciation Day! We love you Dr. Leach and appreciate the leadership and love that you extend to our entire school each and every day! You ROCK!

During the week of May 2-6 we will also be celebrating Teacher Appreciation Week. Please take a moment to share a loving message or token of appreciation with your student's teachers to let them know that you appreciate all that they do.

### Tips for Parents:

- Listen to your student and be supportive
