

THE HYPER PROJECT

Become a HYPE Scholar!

We're changing the face of technology - one girl at a time.

Fall in love with the art of computer science and watch technology come to life with The HYPE Project - an exclusive program designed specifically with girls of color in mind.

Learn to code. Make new friends. Impact your community. Connect with mentors. Gain internship opportunities. Most of all, have fun doing it!

THE HYPE PROJECT IT'S MORE THAN CODE!

FAQs

How much does it cost to join the HYPE Project?

Registration for The HYPE Project is **FREE** for students who respond to the short-answer scholarship question in the application. Students who bypass the short-answer question can join with a registration fee of \$150.

What will I learn in the HYPE Project?

HYPE offers multiple programming tracks. Depending on your selected cohort, you may learn:

- Intro to Computer Science and animations using Scratch
- Web Design using HTML, CSS, and Bootstrap
- Web Development using JavaScript
- Software Engineering using Python!

What are the requirements to join?

Eligible students must:

- Be in 6th - 12th grade
- Be a girl or self-identifying as a girl
- Commit to attending 80% of the sessions, with no more than 2 excused absences
- Not have taken AP Computer Science or AP Computer Science Principles
- Have a camera enabled computer or laptop

What is the HYPE Project schedule?

The HYPE Project is a 12-session experience. Sessions will occur once weekly. Sessions are held after school from 4:00 pm - 5:30 pm

Upcoming Dates:

- 9/7/2021 - 12/14/2021
- Late January 2022 - Early May 2022 (exact dates TBD)

Are there other activities planned?

HYPE is about so much more than coding.

By joining the HYPE Project, get ready to:

- Play games & participate in fun bonding activities
- Learn about inspiring Women in Tech
- Get S.W.A.G. & win prizes
- Create cool projects
- Meet college mentors, working professionals & other special guests
- Experience a Graduation Celebration upon completion
- Join the HYPE Alumni and gain access to alumni benefits (including internships, scholarships, & International Experiences)

Ok, I'm ready! How do I sign up?

Awesome! Visit bit.ly/HYPEProject to apply for The HYPE Project!
